

CHARITABLE GIFT ANNUITY

For a gift of cash, stock or securities, you may fund a charitable gift annuity that will pay you, or another person named by you, a guaranteed income for life.

Most people can deduct a significant part of their gift right away, and part of the annuity payments you receive may be tax-free.

The annuity payment and tax deduction are based on your age and income, so you will want to consult with a financial advisor to learn how this applies to your situation. Please call Samaritan's development office at 717-560-9969 for further information.

Below are a few sample gift annuity rates approved by the American Council on Gift Annuities as of July 20, 2020. Please note that rates are subject to change, so for a current list of rates for all ages, please contact Samaritan's development office.
