PARTNERS IN MINISTRY

Expand the ministry of your congregation by supporting Samaritan's community outreach programs and making the counseling, education, consultation and coaching services of Samaritan Center accessible to church members, clergy and staff.

BENEFITS FOR CONGREGATIONS

- Vouchers to help pay for services including counseling, educational presentations, coaching, training, leadership consulting and retreat facilitation. The number of vouchers received is determined by the congregation's size.
- Discounts for center-sponsored educational programs and events.
- A \$25 discount to couples connected to a partnership church who register for premarital counseling at Samaritan.
- The ability to extend the mission of the congregation to the community.

BENEFITS FOR CLERGY

- Discounts on congregational leadership seminars and workshops sponsored by the Clergy and Congregation Care program.
- The opportunity to receive additional resources and references when working with issues encountered in counseling parishioners.
- Free brief consultation with a CCC consultant about issues related to leadership and other congregational matters or simply to be a sounding board.

Your partnership helps to pay for counseling for people who have little or no financial resources. It also funds mental health screenings for depression, anxiety and suicide risk to local middle and high schools through our TeenHope program.

EXPECTATIONS OF A PARTNER

- Use Samaritan as a referral source for counseling, education, consultation and training, although exclusivity is not expected.
- Support the ministry of the center and help members of the community access center services through an annual contribution based on congregation size. All such contributions go into the Samaritan Fund to subsidize the provision of services.
- Promote the purpose and mission of Samaritan in the congregation through prayer.
