SAMARITAN
CENTER

Fostering Hope and Healing

The Samaritan Center is a trusted community leader dedicated to strengthening the emotional, mental, and relational health of individuals and organizations across Lancaster County.

Our mission is to foster hope and healing through professional counseling, consultation, and education, while respecting and integrating personal and spiritual values, helping to ensure that professional care is accessible to all, regardless of their ability to pay the full fee.

The Samaritan Way

No matter where we go, we are Samaritan. This is our commitment to providing quality, accessible mental health care across the lifespan. By improving the mental health of our community at large, we ensure that every individual has a path to healing.

Counseling Services

Provide professional therapy for individuals, couples, and families through every stage of life. This work is primarily sustained by the Samaritan Fund and Silent Samaritan Fund, which work together to provide subsidies that make professional healing affordable.

Outreach Programs

We meet people where they are – in schools, senior living communities, and through local community partners. By collaborating with our partners, we ensure services are known and accessible. These efforts are fueled by the Child & Adolescent Fund, with the Samaritan Fund providing the critical support to sustain these subsidies across the community.

Business Consulting

The Samaritan Consulting Group provides executive search, HR consulting, and training to strengthen local businesses and nonprofits.

Clergy and Congregation

Coaching, spiritual direction, and consultation services to support church leaders and help faith communities thrive.

SPONSORSHIP CATEGORIES
